

# POST ENTRY QUARANTINE (PEQ) FACILITY

LOCATION: VIC  
CLIENT: CPB CONTRACTORS

**THE MICKLEHAM POST ENTRY QUARANTINE FACILITY IS A CONSOLIDATION OF AUSTRALIA'S PEQ OPERATIONS WHERE ALL IMPORTED ANIMALS AND PLANTS NOW COMPLETE THEIR POST-ENTRY QUARANTINE.**

Larnec Doors was commissioned due to our ability to manufacture and project manage multiple custom elements of this Federal Government project.

## PROJECT OVERVIEW

- » Fit for purpose and bespoke designs
- » Custom hardware throughout the project
- » Manufacture and supply of fully metal clad custom door solutions:
  - Horse Prep and Recovery Doors
  - Animal surgery room doors
  - 900 custom dog kennel doors and feeders
  - 250 cat door assemblies
  - Over 2000 sqm noise control barrier

Images, clockwise from top: PEQ theatre doors. Theatre door detail view with external locking bar. Heavy duty galvanised double doors hung in heavy duty hot dipped galvanised RHS steel frame. Custom doors for cat enclosures - plywood timber doors with glass viewing panels, stainless steel kickplates and custom air relief grilles for air flow.
